

# MEASURE BRIGHT! MEASURE RIGHT!

THE KOMELON PROERGO-C HI VIZ LEAVES THE COMPETITION IN THE DARK!

Out with the OLD and in with the NEW!  
Komelon is taking the traditional chrome tape measure and bringing it to the next level.  
ProErgo-C HI VIZ will be introduced in **July 2012.**  
Pick it up, look at the vibrant blade,  
feel the heavy duty components,  
then compare it to the other chrome tapes on the market.  
You'll see and feel quality.

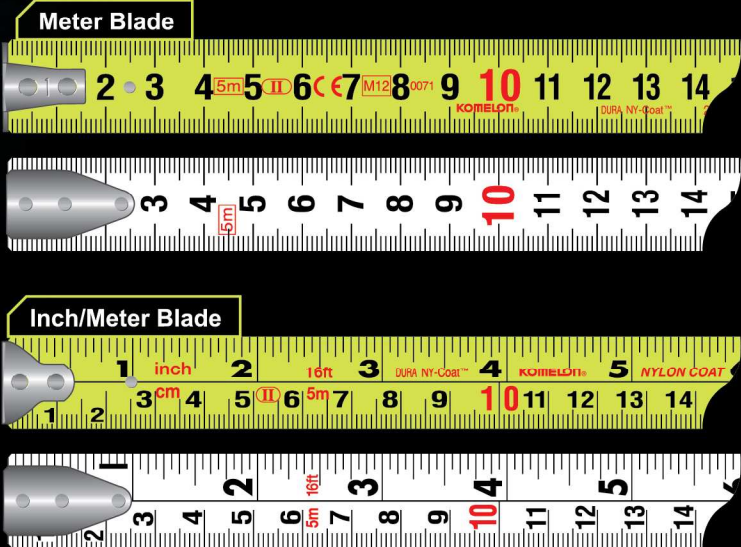

It's time to brighten up your tape measure  
offering with Komelon's ProErgo-C HI VIZ!
